WHEREAS, TDI also owns and maintains digital documents (a “Digital Document”) which are reproductions of documents recorded by the Denton County Clerk in Denton County’s Official Public Records of Real Property (the “Official Records”), such Digital Documents being collectively referred to herein as the “Image Library”; and

WHEREAS, Subscriber desires to access and use the Title Plant and Image Library upon the terms and conditions set forth herein; and

WHEREAS, TDI desires to permit Subscriber to access and use the Title Plant and Image Library upon the terms and conditions set forth herein.

NOW THEREFORE, in consideration of the premises and mutual consideration hereinafter set forth, the parties hereby agree as follows:

1. MAINTENANCE OF THE TITLE PLANT

a. Documents

TDI shall obtain copies of, or, at its option, obtain or make a synopsis of, those documents (the “Documents”) publicly filed in Denton County which affect title to real property situated within Denton County.

b. Pertinent Information

TDI shall use its best efforts to extract pertinent information from the Documents and integrate such pertinent information into the Title Plant in such a manner that the Title Plant will be an accurate source for title information relating to real property situated within Denton County.

c. Title Plant Date

TDI shall use its best efforts to maintain the Title Plant in such a manner that those Documents filed on a given date in the Official Records shall be integrated into the

Title Plant no more than five (5) business days after receipt by TDI of copies of such Documents for such date.

2. ACCESS TO THE TITLE PLANT AND IMAGE LIBRARY

a. Retrieved Information; Computer Prints; Digital Document Copies

Subject to the restrictions and limitations set forth in this Agreement, Subscriber and its Bona Fide Employees (as that term is defined in Paragraph 2.e below) shall have the right to access the Title Plant and Image Library for the limited purpose of (i) obtaining information (the “Retrieved Information”) from the Title Plant, (ii) causing such Retrieved Information to be produced in hard copy and/or electronic printed form (the “Computer Prints,” one type of which is commonly referred to as a “run sheet”), and (iii) retrieving copies of Digital Documents. Subscriber shall not allow any third party, or employees, agents, representatives, officers or owners of any third party (collectively a “Third Party”), to have access to the Title Plant or Image Library or have possession of a Computer Print unless such Third Party is the Bona Fide Employee of a Title Company (as that term is defined below) which is authorized by contract with TDI to access the Title Plant. For purposes of this Agreement, “Title Company” shall mean a title insurance company, a title insurance agent, and their employees, agents and representatives.

b. Subscriber Equipment; Communications Line

Subscriber shall have the right to access the Title Plant and Image Library by means of computer equipment and communications equipment (collectively the “Subscriber Equipment”) of a quantity, configuration, type and location as specified, from time-to-time, by TDI, and a communications line (the “Communications Line”) as specified, from time-to-time, by TDI. The cost to purchase, lease, install, maintain or use the Subscriber Equipment shall be the responsibility of Subscriber. TDI shall have the right, but not the obligation, to lease the Communications Line in its name; in such event the cost to install, lease, and maintain the Communications Line shall be reimbursed to TDI by Subscriber.

c. Operating Hours

TDI shall permit Subscriber to access the Title Plant and Image Library using the Communications Line and the Subscriber Equipment during the hours (the “Operating Hours”) set forth at TDI’s website, www.titledata.com.

d. Passwords

Subscriber shall obtain from TDI a unique computer password (“Password”) for each Bona Fide Employee who will have access to the Title Plant and/or Image Library. Subscriber agrees (i) to prohibit its Bona Fide Employees from sharing Passwords and (ii) to require its Bona Fide Employees (who will have access to the Title Plant and/or Image Library) to execute TDI’s Access and Use Agreement, a copy of which is available to Subscriber at www.titledata.com.

e. Bona Fide Employees

Subscriber acknowledges and agrees that, except as set forth in Paragraph 2.a above and Paragraph 3.b (i) below, access to and use of the Title Plant, Image Library and Computer Prints shall be restricted to its Bona Fide Employees. TDI shall have the absolute right, in its sole judgement, to deny access to the Title Plant and Image Library to any of Subscriber’s Bona Fide Employees. For purposes of this Agreement, a Bona Fide Employee is defined to be an individual (i) who is employed by Subscriber in good faith, (ii) whose employment is honest, open and genuine, (iii)

(i) **Fee Attorneys**

Subscriber shall have the right to furnish Promulgated Insurance Products to an attorney (a "Fee Attorney") for the purpose of closing a bona fide real estate transaction which, in the Fee Attorney's genuine belief, will result in the issuance of a title insurance policy, provided that such attorney (a) is duly licensed by the Supreme Court of Texas to practice law in Texas, (b) is licensed by the Texas Department of Insurance to act as an escrow officer for, and close real estate transactions in the name of, Subscriber pursuant to the Texas Title Insurance Act, and (c) is not a Fee Attorney for a Title Company which is not authorized by contract with TDI to access the Title Plant. Plant, then Subscriber shall immediately discontinue providing such Fee Attorney with Promulgated Insurance Products and, within ninety (90) days of the date such Fee Attorney takes an action described by (a) or (b) above, Subscriber shall retrieve and secure all Promulgated Insurance Products in the possession of such Fee Attorney, including all copies thereof.

Subscriber agrees to honor such copyright and agrees to protect such copyrighted materials from unauthorized duplication or display. Subscriber further agrees not to reproduce in any manner TDI's copyrighted materials without the prior written consent of TDI.

b. **Trade Secrets**

Subscriber acknowledges and agrees that the Title Plant and Image Library constitute trade secret and confidential proprietary information owned by TDI, acquired and/or developed by TDI at great expense, and that TDI is entitled to protection against unauthorized disclosure or dissemination of any part or whole of such trade secrets to any Third Party. All delinquent payments shall bear interest at the rate of eighteen percent (18%) per annum or the maximum rate that may lawfully be charged under applicable state or federal law, whichever is less.
- e. **Deposit**
Upon execution of this Agreement, Subscriber shall pay to TDI a deposit in an amount equal to two (2) months Subscription Fee, which shall be returned by TDI to Subscriber, without interest, upon termination of this Agreement and payment of all monies owed TDI. Notwithstanding the foregoing, in the event Subscriber is the owner of capital stock in Title Data, Inc. TDI agrees to waive the deposit requirement and Subscriber agrees that any monies owed TDI may be collected in accordance with the Title Data, Inc. Master Agreement.

6. OWNERSHIP

- a. **Title Plant and Image Library**
Subscriber acknowledges and agrees that nothing in this Agreement shall be interpreted to grant Subscriber or any other party any ownership interest or other rights in and to the Title Plant, Image Library or any other asset of TDI, other than Subscriber's right, during the term of this Agreement, of access and use set forth in this Agreement. Subscriber shall not by virtue of this Agreement obtain any ownership interest or other rights of any kind in, or be entitled to receive copies of, any electronic media (including magnetic media and optical media), including without limitation computerized data files, computerized document image files, computerized maps, computerized edits, or computer software, owned or utilized by TDI in the operation of the Title Plant and Image Library.

Subscriber shall indemnify and hold harmless TDI from any and all losses, claims, expenses or damages, including all legal fees and related costs, arising out of any claims, demands, or causes of action asserted against TDI which are based in whole or in part upon (i) Errors contained in information provided to Subscriber by TDI, (ii) Errors made by Subscriber and contained in information provided by Subscriber to a Third Party, and (iii) Errors made by a Third Party in the processing or dissemination of information originally obtained from Subscriber. Within ten (10) days of its receipt of any claim, demand, or cause of action for which indemnification is required under this Paragraph 7.a, TDI shall give written notice of same to Subscriber. Subscriber shall be entitled to participate in the defense or settlement of any such actions, however TDI and its counsel shall have the exclusive right, in their sole discretion, to make all final decisions regarding such defense or settlement.

b. **Disclaimer of Warranties**

Subscriber acknowledges and agrees that the goods and services provided by TDI hereunder shall be accepted by Subscriber AS IS AND WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY, WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, AND WARRANTY OF GOOD WORKMANSHIP. Subscriber further acknowledges and agrees that the cost of the goods and services furnished by TDI pursuant to this Agreement are calculated and based upon sale by TDI to Subscriber of such goods and services without warranty and without liability for negligence, and but for these terms and conditions the cost of such goods and services would be significantly greater.

c. **Survival**

It is expressly agreed that the provisions of this Paragraph 7 shall survive the termination of this Agreement, however any such termination may occur.

8. DEFAULT

a. **Default by TDI**

Should TDI breach any of the terms, covenants, agreements, conditions or provisions of this Agreement, Subscriber shall give written notice of such default to TDI. TDI shall have ten (10) days from the date of such notice to cure such default. If such default is not cured within the time period provided above, Subscriber may, as its sole and exclusive remedy, immediately terminate this Agreement.

b. **Default by Subscriber**

In the event of a default by Subscriber under any of the terms, covenants, agreements, conditions or provisions of this Agreement, including without limitation the obligation to make timely payment of any monies owed TDI and to comply with the provisions

of this Agreement regarding use, copying, and dissemination of the Retrieved Information, Computer Prints, Digital Document copies, copies thereof, or information therefrom, TDI shall give written notice of such default to Subscriber and TDI shall have the right to immediately suspend Subscriber's access to the Title Plant and Image Library until such default is cured. Subscriber shall have ten (10) days from the date of such notice to cure such default. If such default is not cured within the time period provided above, TDI may, at its option, terminate this Agreement and Subscriber shall no longer be entitled to any rights or benefits. In addition to such termination, TDI may pursue any other remedy available to it under this Agreement, at law or in equity, to recover any monies owed to it.

9. TERMINATION

a. Termination by Subscriber

Subscriber, provided it is not in default, may terminate this Agreement at any time without cause by giving TDI thirty (30) days prior written notice. Upon any such termination of this Agreement, Subscriber shall (i) pay to TDI any monies owed by Subscriber under this Agreement, and (ii) have no further right to access the Title Plant and Image Library.

b. Termination by TDI

TDI shall be permitted to terminate this Agreement (i) without cause, by giving Subscriber thirty (30) days prior written notice, (ii) in accordance with the default provisions set forth in Paragraph 8.b above, or (iii) in the event any covenant, condition, or provision of this Agreement is held to be invalid or unenforceable by a final judgement of a court of competent jurisdiction.

10. REMEDIES; INJUNCTIVE RELIEF

a. Remedies

Subscriber agrees that because of the expense and unique skill and labor required in the compilation, assembly and maintenance of the Title Plant, the Retrieved Information and Computer Prints have a value greatly in excess of the mere cost of copying same, and that the damage which TDI would suffer from the wrongful distribution or utilization of the Retrieved Information and Computer Prints, or information derived therefrom, would be uncertain and incapable of exact determination. Subscriber therefore further agrees to the following remedies.

(i) **Violations of Paragraphs 2 and 3: Other than Fee Attorneys and Title Companies**

In the event Subscriber shall violate any of the provisions set forth in Paragraphs 2 and 3 of this Agreement and the violation does not involve a Fee Attorney or Title Company, in addition to the other default remedies available to TDI under Paragraph 8.b above, TDI shall have the right to require Subscriber to pay as liquidated damages and not as a penalty the amount hereinafter set forth. The amount of such liquidated damages shall equal ONE HUNDRED AND NO/100 DOLLARS (\$100.00) per index record extracted from the Title Plant or contained within a Computer Print, where such extracted record or Computer Print was either (i) delivered, exhibited, or furnished in violation of Paragraph 2 or 3 of this Agreement or (ii) used in a Product which was delivered, exhibited, or furnished in violation of Paragraph 2 or 3 of this Agreement.

- (ii) **Violations of Paragraphs 2 and 3: Fee Attorneys and Title Companies**
 In the event Subscriber shall violate any of the provisions set forth in Paragraphs 2 and 3 of this Agreement and the violation involves a Fee Attorney or Title Company, in addition to the other default remedies available to TDI under Paragraph 8.b above, TDI shall have the right to require Subscriber to pay as liquidated damages and not as a penalty the amount hereinafter set forth. The amount of such liquidated damages shall equal the greater of (a) ONE THOUSAND AND NO/100 DOLLARS (\$1,000.00) for each violation or (b) FIVE HUNDRED AND NO/100 DOLLARS (\$500.00) per index record extracted from the Title Plant or contained within a Computer Print, where such extracted record or Computer Print was either (i) delivered, exhibited, or furnished in violation of Paragraph 2 or 3 of this Agreement or (ii) used in a Product which was delivered, exhibited, or furnished in violation of Paragraph 2 or 3 of this Agreement.

b. **Assessment; Payment**

TDI shall invoice Subscriber for liquidated damages. Such invoices shall be due and payable in the offices of TDI no later than fifteen (15) calendar days of the date in which presented, or the next business day in the event such date falls on a Saturday, Sunday, or holiday observed by the United States Postal Service.

c. **Injunctive Relief**

In addition to the provisions relating to liquidated damages set forth in this Paragraph 10, Subscriber agrees that the terms and provisions of this Agreement may be enforced by proceedings in equity for injunctive or other equitable relief, at the institution of TDI. Subscriber further agrees that in the event suit should be instituted against it to restrain violation of the terms of this Agreement, and a restraining order or temporary injunction sought pending trial on the merits, that it would suffer no damage from being enjoined or restrained pending a trial of such action on the merits, and that a bond not exceeding the sum of ONE THOUSAND AND NO/100 DOLLARS (\$1,000.00) would be entirely adequate to protect it from damages, if any, which it might suffer in the event such injunction or restraining order should be dissolved for any reason at any subsequent time.

11. MISCELLANEOUS
