NOTES:¹Digital Document Fees

- Digital documents consist of (i) documents recorded in a county clerk's real property records, (ii) recorded maps (plats), and (iii) Imaged Backplants.
- A customer is only billed a single fee, whether the document is viewed, printed or both.
- Documents retrieved during the monthly billing period for *all* counties under subscription count towards achieving the higher-volume price point. For example, if a customer subscribes to Bexar, Dallas and Harris counties, the *combined* digital document volume determines the cost per document.
- Customers may retrieve digital documents for *any* Title Data county, whether under subscription or not [cost is \$1.00 per *document* for non-subscribed counties].
